APPROVAL STANDARDS:

Conforms to BS EN 343:2003 + A1:2007
Conforms to BS EN 471:2003 + A1:2007

These garments comply with the requirements of Directive 89/686/EEC and the above referenced standards.

LIMITATIONS OF USE:

This garment is a conspicuity aid. Always wear the garment fastened at all time. KEEP CLEAN to ensure maximum conspicuity. Regular comparison against a new garment is recommended. DO NOT modify or alter the garment. Replace if permanently stained or faded. Should the high visibility properties of this garment become severely impaired the item should be changed.

AFTERCARE:

See instructions on garment label. Liability will not be accepted where the care label has been ignored, neglected, defaced or removed. Max 25 wash cycles.

STORAGE AND TRANSPORTATION:

Always store in clean, dry conditions. DO NOT store in places subject to direct, strong sunlight. This garment is suitable for transportation as supplied by the manufacturer.

GARMENT DISPOSAL:

This garment is suitable for disposal via landfill or municipal waste incineration in accordance with European standards, provided they have not been contaminated with hazardous substances. For more information contact your local environmental officer.
