

PRODUCT INFORMATION

Colour	Blue
Material	100% nitrile (Acrylonitrile-butadiene) No natural rubber latex
Type	Powder-free and non-sterile
Design	Ambidextrous, beaded cuff and smooth external finish; Micro texture surface for easier grip
Sizing	S-XL
Doning Agent	Powder Free glove

PACKING:

100 pcs gloves x 20 dispensers x 1 carton

PRODUCT DESCRIPTION:

The Bodytech Blue Nitrile Gloves are high-quality, powder-free examination gloves designed for reliable performance across food handling, medical, and industrial environments. Made from 100% synthetic nitrile, these gloves are latex-free, making them an excellent choice for individuals with latex sensitivities. Each glove is ambidextrous with finger-textured tips for enhanced grip and a beaded cuff for added strength and easy donning. The online single chlorination process ensures a smooth interior, making the gloves comfortable and easy to wear for extended periods.

STORAGE CONDITION & SHELF LIFE:

The gloves shall maintain their properties when stored in a dry condition at temperature between 10 to 30°C. Protect gloves against ultraviolet light sources, such as sunlight and oxidizing agents. Copper ions discolor the glove. 5 years from the date of manufacturing.
