Sterowash, the 2-in-1 eye and wound wash could save someone's sight!

It's also perfect to cleanse wounds to reduce the risk of infection.

Once fixed on the wall where it'll be seen every day, it's there permanently in case of emergency.

Sterowash's twist off top is ready for use in a second! With a slimline neck for improved directional accuracy, and a twist off top ready in the blink of an eye, these pods are the only choice in an emergency.

Sterowash saline 20ml pods treat both eyes and wounds and are available on Drug Tariff.

Sterowash Station: Precision Made

The newly designed station is made from a strong lightweight plastic, with pre-drilled holes ready for fixing to a wall in an office, warehouse, factory or anywhere that eyewash is needed.

The recess for the 10 pods are moulded so precisely that each pod will stay in place on its own, right down to the last one.

The addition of a mirror is provided for observation of the eye and enable an individual to use eyewash on their own if needed.
