DC501A

- Soft and comfortable to wear.
- Exceptional noise protection.
- Easy to fit with added cord.
- Tough, *Easy open* box.
- Approved to EN352-2 2020.
- Individually packed for hygiene and easy distribution.

Soft CORDED DETECTABLE PU foam earplugs which expand gradually to conform exactly to the size and shape of virtually any ear canal.

Extremely high SNR 37 for very noisy environments. Extremely cost effective.

ONE SIZE  
(designed to fit 'normal size range')

PACKAGING:  
Per Dispenser: 200 PAIRS  
Per Case: 10 Dispensers

SINGLE NUMBER RATING (SNR): 37

NOTE: Hearing protection is only effective if correctly selected, fitted and worn for the complete period of exposure to hazards - Read ALL instructions and warnings carefully before use.

If fitting instructions and recommendations are not adhered to, the protection offered will be seriously impaired and serious injury may result. **Certain chemicals** may adversely affect this product. Further information should be sought from the manufacturer in this case.

**WARNING**

Keep earplugs away from infants and small children as they may get caught in the windpipe and create a choking hazard.

**Markings**  
There are no markings on the ear plugs but each pair is packed in a poly bag on which is printed the item code, fitting instructions and CE markings.

**Storage**  
Keep out of direct sunlight, store in a cool, dry place. Keep away from sources of ozone or ignition.
