

***PREMIUM***  
**Dairy Wipe** BT110

**2 Ply 56gsm Premium Green Dairy Wipe**

This paper wipe provides the most efficient and cost-effective solution to ensure the cleanliness and long-term health of your herd.

Manufactured from biodegradable pulp from a PEFC approved forest, our Premium Green IS green in more ways that just colour.

A truly premium-grade product, it comes hygienically wrapped in a pack of 6 rolls and is ideal for the agricultural market.
