Suggested Applications

- Chemical Handling
- Car Detailing
- Utilities
- Fishing Industry
- Food Processing
- General Handling
- Janitorial
- Agriculture
- Sewerage
- Landscaping

Limitations of Use:

Maintenance - Examine gloves for damages, splits and holes before each use. Always replace damaged gloves. Only properly fitting gloves guarantee protection and grip.

Storage - Store at normal room temperature in a dry, well ventilated area. Avoid direct heat radiation.

Disposal - Used gloves can be contaminated. Dispose with household waste or as instructed by your local authority.

Cleaning - These gloves can be washed and maintained as and when required to enhance performance and increase longevity.

Durability - The period of use depends on the degree or intensity of use in the retrospective application. It is therefore not possible to provide a 'life span' of the gloves.

Note - Due to the nature of this product the user is advised to carry out their own risk assesment before use, depending on application.

Recommended Shelf Life - 5 years.
