

Odour Neutraliser

Eliminates odours

Naturally, renewable odour neutraliser designed to trap and absorb odours.

Eliminates offensive odours to freshen the environment.

Low Environmental Impact - www.evansgreentick.com

- Suitable for use on a variety of hard surfaces and waste bins.
- Formulated with soil and stain resistant agents that prevent tacky residues that attract soiling.
- Recommended for use on carpets and upholstery.
- Suitable for use against urine, tobacco smoke, rancid food and pet odours.
- Ready-to-use formulation.
- Leaves a fresh deodorising perfume.

GENERAL USE:

Use undiluted.

For areas with an established persistent problem spray the surface liberally to ensure the odour is absorbed.

SOILED AREAS:

For recently contaminated areas, spray the offending material to help neutralise the immediate odour. Remove as much solid by dustpan and blot urine with paper towel.

Spray surface once again liberally and allow the product to bind with the malodour and its cause.

RELATED ITEMS:

- Spot Light™ - Spot and stain remover.
- Florazol™ - Concentrated deodoriser.
