PVC and Polypropylene black and white mix, heavy yard broom, 330mm round wood back, double handle hole. The two different types of the plastics in this mix make an excellent and durable heavy duty outdoor broom, very effective in wet or dry conditions. It is outperformed only by the 507 and BS4. Recommended handle, A54/2, TH54/2W. If this broom is going to be used continually, we recommend the BCL broom clamp.
