

Regatta Thermal Base Layer Long Johns - TRU113

When outdoor work isn't an option, choose to keep warm in the Thermal Long Johns. Crafted from a polycotton blend, these men's long johns are both durable and warm. They're lightly brushed to ensure maximum comfort and a light 220gsm weight provides a product you can move freely in. Help fight off the cold during the winter months with help from Regatta.

- Regatta Professional Workwear
